Dr. ROGER JENTVET delivered my son born back in 1965. He was an amazing Dr to a young frightened girl.

Our thoughts and prayers are with you. I am sorry we just learned of this today. Lola keeps us well informed. But we live in Johnson Creek now and I was surprised she even got our phone #. But you have a faith that will give you courage and strength just as in the past. God loves you and so do we. Take care.
