I was sorry to learn of your loss, quite accidentally, the other day. In some small way I feel a connection to Kenneth, although I'm certain we never met. My name is also Kenneth (Ken) Brautigam, and I was born in Madison in 1956. Perhaps we're remotely related. Who knows the subtle but meaningful ways that we keep alive the memory of our loved ones? Perhaps it's my destiny to meet that heretofore unknown person who will tell me, "I once knew a great man in Wisconsin who had the same name as yours..." My condolences to your family.
