Deal all, Conrad asked that I e-mail Uncle Bill's but I see this option so will do this also. Conrad has come down with something and worse this morning. Fever and it's settled in his chest. I asked him this mornig about coming tonight and tears just ran down his face and said "I just don't want to miss this but I can't risk taking this up to so many." SO our love and thoughts are with you. We have sooooo many good memories. Conrad talked for a long time last night just remembering, until the coughing made it impossible.-) Please know we are with you in our thoughts tonight. Love Conrad, Noreen and Adam

Our thoughts are with you all during this time. I have very special memories of Uncle Chester....visiting him and Aunt Erna in Medford many times. My most recent and most special memory is what he said at the family reunion several years ago...I asked how he was doing and has he held Aunt Erna's hand walking across the yard he said he was great as long as his bride was by his side. That was so special after so many years of marriage they had a great love for one another. And his love for the gospel was a strong testimony. Lots of love to each one.
