Joyce-I don't know if you will even get this, but here goes anyway. We will miss Gerry in the Respiratory Department at Riverside!! The last time you were here in January, you were asking me about my baby, which it broke my heart to tell you that I had a miscarriage. WELL, I missed you by one day this time, but I am 13 weeks pregnant:) There is always hope for everyone, and I know that you are a strong person. You did an AWESOME job taking care of your husband. I hope that you find peace in your heart even though you are hurting now. Please accept my condolences and I will keep you in my prayers.
