Say my granddaddy would have been in his 87 today , miss him very much, Gregorio Parra. He was funny the things that remind me of him are the times when he would come home and he would tell me to take off his boots, I would have a hard time taking them off. Every time I go to pull his boot off, I pull him with it. Why did God put a timeline on our life? But the word lifetime exists, but to live it, it don't.
