Dear Lucille and family..Dan and I are sending our sympathies to you in the death of your Husband and Father. We didn't realize he was that age, but then none of us are getting any younger. I remember him always contacting my Dad, Ole, with township business. He was such a neat fellow, so neatly dressed and always with a smile and a "hi". Also remember coming to your farm with my Mom, Lizzie to get eggs and sitting in the kitchen talking. You were a great family, friend, and neighbor in my mind. Fred will be missed by many and you cherish all the memories you had with him. Saw Arlene at the Barton reunion last September and just realized she was Freds' Sister. I have alot of memories of the entire Jensen family. Our thoughts and prayers are with you now and in the days ahead. God bless you, Lucille, and the family. Love, Dan & Nancy (Thompson) Carlson
