I am very sorry to hear about Mrs Wenberg! I remember her as a great music teacher from when I was in grade school at Dickinson in DePere. For some reason she thought I had a good voice because she always made me sing solo in front of the class. Either that or she didn't like me! For doing that she made me overcome some of my fear of being in front of people. She was well liked in my class! Patti Hockers Jeff and I send our prayers for you and your love ones.
