I see you day by day,

I try to think of what to say,

Only 3 words came to my mind,

I talk to you and try to be kind,

The only 3 words that come to my head are the exact words I dread,

Please don't go, I want to say,

but the words won't come, they just run away,

Robert Luckow

MAY 4, 1938 - JUN 16, 2008

I love you and I can't lose you,
But God's will is the way and that is true,
Please don't go I want to scream,
I wish this was only a dream,
I love you grandpa, please don't leave me,
Cuz if you do, then I don't know where I'll be,
Please don't go,
I want you to know,
You are always in my heart,
You have been, since the very start,
Your body may fade away,
but your memories will always stay,
I love you forever, that is true,
No matter what, I'll never forget you. By: Alexis Dahl
