Dear Kim, Kelly and Brian, I am so sorry to hear about your Dad passing. I know he suffered for a long time and I take comfort in knowing he's at peace now. Your Dad was an important part of my life as a kid and I have lots of memories of making maple syrup with him and all of you. He didn't say much and those rides home with him after babysitting you were extremely long some nights. Even though he wasn't much of a talker, your dad would do anything for you and he was a tremendously hard worker. I do feel blessed to have known him and to be a part of his wonderful kids' lives. You kids brought a lot of fun and adventure to my life. I love you all and want you to know that I am thinking of you during this difficult time. Please express my sympathies to all of your extended family. Katie (Mueller) Zahnleuter
