Dear Chapple Family, I hope that you all continue to do well during this very hard time. Although it has a been a few weeks it is just as hard, if not harder. You are still in my thoughts and prayers, and will continue to be. It is the simple things that you now miss the most. Coming home wanting to tell her something only to find her not there must be hard. Harder than I could ever imagine. You are still thought of, and everyone misses Mrs. Chapple so much. We want her to be here, but at least we know that she is in Heaven. With love and prayers, Alayna Kjentvet
