Your mom was a special woman who touched many of our lives. I have many fond memories. One especially is when Dan, Tim Jewell and I used a wrong ingredient to make chocolate chip cookies in Home Ec class. She of course chastised us for not paying attention and following the recipe. When ours turned out better than the rest of the class we demanded an A and of course she gave it to us. My thoughts and prayers are with you all.

Scott Schuman and I were talking about your mom - maybe just last week. He commented on how your Mom always had fun and new things for the Springwater 4-H members to do each month. Your mom was dynamic and had a drive like few people I know. She always had the interest of others in the forefront. I am sure she was instrumental in many wonderful things that happened in Wild Rose that some did not even know of her role. I appreciated her questions and her ideas - she was not afraid to make us think outside of our comfort zone and the box. Anita touched the lives of many and will be remembered for the great influence she was on their lives. I am sorry Matt I did not get a chance to talk to you when you stopped in - thank you for letting us know. My thoughts and prayers are with you...
