Your father and mother were the sweetest people on this planet. They were both so kind, generous and tenderhearted and I will never forget them. I will never forget our family Sunday visits to your home as I have fond memories. My mother, Tekla (Luczka) Zerebny was from the same village as your father & she lived to be a healthy 98 years (except for her last month on earth). She passed away August 31, 2020. God Bless you Billy and your family!
