We are saddened and shocked to hear of the passing of Susan. Susan was a very kind and caring person who would do anything to help others. She was a good friend and great co-worker and was always full of happiness and cheer. I never saw her with a frown or to harbor anger against anyone. She and I spent many hours working to better lives through the March of Dimes Walkathon. I will deeply miss her but know that she is now in a better place. We will keep her family in our prayers.
