To and For Helen Wenzel and all relatives and friends... In fondest memories of Helen, I loved her curiosity and interest in learning, her kind heart and happy spirit. I will miss her dearly and know that she is in a wonderfully new dimension in time and space on an incredibly exciting and new journey of her continued Life in Spirit yet since we are all One, she remains here with us always in our hearts! "Death is but a shadow cast by life. The Divine Spirit brought us into this world; It has never deserted us, and It will remain with us forever. We cannot wander away from God. It is destined by the Divine Will that good shall come at last alike to all." Ernest Holmes, Living the Science of Mind (149.40) "Forms come and go, but the Power back of them is Changeless. Form is temporary but Mind is eternal." -- Dr. Ernest Holmes The Re-Enchantment of My Life through the Eternal One-Mind of God In the One Mind of the Infinite there is only perfection. Forms are temporary, they come and go, but the Power back of them is eternally changeless. Although the challenged road appears to dim my path, Truth shows they were my path and sets me free. I recognize that Life is my Life in God's embrace. I recognize that God's embrace surrounds us all in a continuing enchanting Life throughout Eternity wherever we are in body-mind or spirit. Therefore, I sing a song of Love, as I am Love, for I awaken to a new dawn where the beauty of re-enchantment awaits me, caressing my entire being with Divine Love in, through and around me, as me, expressing as me in new opportunities with new and renewed relationships. Any seemingly traumatic situation falls from me like an Angel sprinkling me with tears of joy as I rejoice to a new dawn of deliverance. Setting me free it brings me Sweet Goodness which manifests in total thanksgiving before me and I awaken again to enchanting days and nights of remembering Peace, Joy, Prosperity, Fabulously Beautiful Life and incredibly beautiful Abundant Love as It manifests before me forevermore. I declare this Truth right here and right now, knowing that Truth reveals to me Its glory and sets my freedom in motion right here and now as the re-enchantment of my Life is Sweet Reward. And so it is.
