## **Erin Amanda Wolding**

APR 26, 1986 - JUL 8, 2011

**E**rin Amanda Wolding, 25, Nicolay Shores, Scandinavia, passed away peacefully on July 8, 2011, at St. Michael's Hospital, Stevens Point, following a short illness. Erin was born on April 26, 1986, weighing 1 pound, 8 ounces. She faced many physical and health-related challenges as a result of complications following her extremely preterm birth. Despite her disabilities, Erin possessed a sweet disposition, with an enormous smile and infectious laugh. She was a great teacher to many who came to know and care for her throughout her life. Erin loved music, books, songbirds, and outdoor walks. She was loved and will be missed.

Erin is survived by her mother, Teresa Albrecht; father, Marc (Debra) Wolding; twin sister, Jessica Wolding; newborn nephew, Gavin Wolding, all of Amherst; and, paternal grandparents, Marge and Duane Wolding, Scandinavia, with whom Erin has resided for the past 6 years of her life. In addition, Erin is survived by her maternal grandfather, Joseph Albrecht, Athens; paternal great-grandfather, Herbert Wolding, Nelsonville; step-siblings, Jordan, Spencer and Paige Selbo; and many aunts, uncles and cousins. She was preceded in death by her maternal grandmother, Rosella Albrecht; paternal great-grandmother Evelyn Wolding; and paternal great-grandparents, Anthony and Stella Loftis.

Over the years, many people came into Erin's life to provide care and support. Erin's family would like to thank all those who contributed to her life in some way, especially her home nurses, respite care providers, teachers and therapists. A special thank you also to the exceptional staff at St. Michael's hospital who cared for Erin during this past week. A celebration of Erin's life will be held on Wednesday July 13, 2011 at 11am at the Jungers-Holly Funeral Home in Amherst. Father Jim Trempe and Pastor Dwight Anderson will officiate, with burial to follow at the Nelsonville Lutheran Cemetery. A visitation will be held on Wednesday from 9:30 A.M. until the time of the service at 11 A.M. A scholarship is being established in Erin's name. In

Teresa and all the rest of Erin's family, My condolences. I'm sure Erin felt loved and cared for. If anyone says something obnoxious to you about Erin's death, you can refer them to the grief page on my website, speakingfromtriumph.com. I had to endure so many obnoxious statements that were supposedly helpful that I wrote lists of what to say and what not to say to people who are grieving. Please take advantage of them if you need to.

From: Janet Carter, Erin and Jessica's first babysitter/caregiver I have been thinking about Erin and your family all week. Erin was the first special needs child I worked with and 25 years later I continue to work in the area of special needs. It has been a blessing for me to meet so many special and courageous individuals and families starting with Erin and your family. Through the years I have thought of the girls and wished good things for them. It was good to see the picture of Erin. May your memories and love for Erin give you comfort.

My heart goes out to Erin's twin sister Jess, and all of Erin's family and friends I am so sad to hear about Erin, I wish I could have seen her, I didn't realize she was so sick. I loved working with Erin so much at school. We became very close the last few years she was in our classroom, I spent so much time with her and I really missed her. I loved her smile and personality. I talk about Erin and our experiences often.
