It saddens our hearts to hear of Rick's passing. We enjoyed going out hunting with him. He was always a special guy to us. He sold me a boat and trailer for almost nothing, that's the kind of friend he was to me and my family. I worked with Rick at the old Air Force Base in Galena, AK from 1994? until 2008. We sent our sincere condolences to his family and friends. Rest in Peace, my friend.

Oh Raye, So sorry to hear about Rick. I didn't find out until after his memorial service or I certainly would have been there. I remember the good times: the tree house, snowmobiling, the farm, going to the sports show in Green Bay, the robbery (okay that one wasn't such a good time). I remember the heart of gold your family had, after our home burned down. Giving us a place to stay and providing a temporary workshop, so my father could keep his business going. I often think about Rick and you and your wonderful parents. I had always thought Rick and I would meet up again to reflect on those good times. Naturally, my thoughts and prayers are with you. Sincerely, Wayne

RayeAnn, Sorry to hear of Rick's passing away. I was the first baby sitter for you and Rick. You called me Doedoe during that time and my brother, Donald Dorschner, sometimes still calls me Doedoe. I live in Rudolph, WI and my Mother, Lois, is still in the same house in Waupaca. She just turned 91. My prayers are with you and your family.
