Dear Sarah,I was so sorry to read of Leroy's death. You have my sympathies. I still remember your wedding day. How happy you were starting your life together. And I remember your home in Am Jct where we had Tupperware parties. LeRoy was so interested in the product. He was good to you, Sarah. I know you will miss him dearly. My heart goes out to you. I am really shocked and saddened to hear of LeRoy's passing. My heart goes out to Sarah and his family. I'll tell you, that guy didn't have a mean bone in his body! He was a truly good, nice , caring man. I worked with LeRoy at DelMonte for 10 years, along with my sister, Nila. She thought alot of LeRoy too. He was a dedicated worker and a great lasting friend... I am so sad I didn't get to attend his birthday party this last January. I will always regret that. He will be missed and never forgotten. With Love and prayers, Juanita.
