To the Frater Family: My thoughts and prayers are with you all. I will always have many fond memories of Ginna, and all of our get-togethers through the years. I am glad she and my mom met so many years ago. God Bless you all. I truly wish I could have made the memorial. She was a beautiful person.

Ginny and my sister, Beverly Bassler Frisch were life-long friends. The remainder of our family is very sorry to hear of her death. (Shirley, Lucia and Jerry). I saw Ginny and her family usually about once a year when Bev visited here. Visiting her was always an enjoyable. The last time we went for lunch to the old library in Waupaca. It is so wrenching to lose a wife, mother and grandmother. My sympathies to each of you.
