Lynda Luce

OCT 21, 1952 - AUG 31, 2012

Lynda Lee Luce, age 59, of Waupaca, lost her courageous battle with breast cancer on Friday, August 31, 2012, at home surrounded by her loving family. Lynda was born in Fort Wayne, Indiana, on October 21, 1952, the daughter of Howard and Mary (Kutcher) Andert. On May 27, 1978, she was united in marriage with Paul Luce. Lynda was an educator in the truest sense of the word. She taught more than 30 years in the Waupaca School District. Subjects that she taught were freshman English and senior College Advanced Placement Courses for Fox Valley Technical College, UW-Stevens Point and UW-Oshkosh. Her true passion was coaching forensics, where she was nationally known for her outstanding student performances, as well as her leadership in several organizations. She had been president of the Wisconsin Forensics Coaches Association and Catholic Forensics League. She was honored as the Wisconsin Forensics Coach of the Year, Wisconsin Speech Teacher of the Year, the Hillshire Krahn Teacher of the Year, and received the Herb Kohl Teaching Fellowship. Lynda is survived by her husband Paul, son Michael, daughter-in-law Erica (Kreuzer) Luce, daughter Katherine, son-in-law Erik Greenfield and granddaughter Lucy Greenfield, her mother Mary Andert, sister Darlene Andert and very special friend Catherine Luhr. She was preceded in death by her father, Howard Andert. A celebration of her life will begin with a visitation from 1 - 5 p.m., with a brief service to follow at 5 p.m., on Saturday, September 8, 2012 at the Waupaca High School Performing Arts Center. All those attending are encouraged to wear green. In lieu of flowers a memorial has been established. She will continue to touch the lives of all that knew her through her sense of humor, highest student expectations, and being an advocate for all students. She could find something to like about everyone she met. She will be missed by her family and all who knew her. The family would like to thank everyone for the numerous kindnesses they have exhibited over the past several weeks. The family is asking that

I'm not sure what to say. It feels like with her passing a piece of my childhood memories are somehow lost. I have always remembered trips to Waupaca; playing in Uncle Paul's basement and ice skating on the lake in the winter. Auntie Lyn was such an amazing and caring person with great energy. Every story told to me about my aunt involved her helping or

Dear Luce family- My deepest condolences for your loss. Though it's been many years now I remember my time in her classroom very well. She was a wonderful teacher, so filled with life and laughter...and I'm sure that only scratches the surface. I will keep your family, and her, in my thoughts and prayers. -Garrett Tews

Dear Paul and Family, Lyn will always be remembered for her infectious laughter and humor. She always had a smile and a style of her own. I will not be in town for the memorial but she will be remembered. It is so difficult to lose a spouse but always remember the good times and all the lives she touched in her own special way.

Paul, Mike, Katie - I can't express in words how sorry I am. She was such a beautiful person, both inside and out. She literally changed and shaped my life. I would not be a successful (and flamboyant) lawyer if it were not for Lynda. I loved her love for life and her fantastic laugh! She will be missed! Mike and Katie - I went through this after my Dad died five years ago and want to be there to help you any way I can. I know we were all just kids when we knew each other, but I loved you just the same and love your Mom. I'm going to give you my phone number in case you'd ever want to give me a call (715-544-0770). I am guessing you don't have a lot (or any) friends that have lost their parents that you can talk to. I would love to be that shoulder to cry on for you or just listen to you. Take care! Love you all, Angie Peterson (Poth)

Paul and family... I cannot say enough about how important Lynda was to me as I grew up. Not only did she help me through my formative years by encouraging me to pursue my interests, she fostered that same desire to help others she had in me. I wish I could be there to celebrate her life. Please know that she will always be one of the people I thank for helping me become the person I am. I will miss her.

A true lover of life, with a great smile and a hearty laugh. That was Lyn. A wonderful neighbor and friend...I am so honored to have known you. My favorite memory....getting up at 3:30 a.m. with Lyn to watch the wedding of Prince Charles and Lady Di. We went through about 5 pots of coffee and lots of treats that morning. I'm so sorry that you didn't get to enjoy your most deserved retirement with your family. My love and prayers to all.

Please know that I am deeply saddened by the loss of Mrs. Luce. She was a wonderful mentor to my daughter during her high school years and Taylor had the greatest respect and true love for her as a teacher and a friend. She was always a bright spot in sometimes difficult world. She will be missed by all that were lucky to have had her touch their life.
