My deepest sympathy to Sonia's family. Sonia and I were best friends in 7th & 8th grades at the Almond school in 1954-55. We were inseparable...we even dressed alike sometimes. I can't even remember the last time I saw Sonia or Clifford. Clifford and I went to Lincoln School together from 1st grade through 6th grade. I have many fond memories from those days. I also feel bad to not have been in touch all these years. I did see Maxine at Tater Toot a few years ago and we had a great talk. Time passes all too quickly, people move away, change interests, friends come and go, but the memories are always there and brought to the surface at the mention of someone from the past that leaves us. I will always have my special memories of Sonia, her mom & dad, Maxine, and the farm. My thoughts are with you in your time of sorrow. Judy (Czajkowski) Singer
