Alan and family-this is a message from Mary Kugler. I have such fond memories of Kathy so long ago when she came to us at the antique shop in Menasha as a student from Fox Valley Tech. I was heartbroken when I saw her obituary today in the paper. I can't begin to say how sad I am for you and your children. I feel so bad that I did not keep up with her these last many years-what a joy she was to know and I am deeply saddened for you and the loss of such a vibrant and delightful wife, mother, and grandmother.
