I'm so sorry for your lose. Lori was such a bubbly person. Always upbeat and fun to be around. She and I spend a lot of time together in our 20's and had a ball. I named my daughter after her. She will be sadly missed by all. I'm sorry I couldn't make it to her wake. I have a family member in the hospital in Appleton and just couldn't get to the funeral. My thoughts are with you!

Gladys, Larry, Sharon, Tom, Jane, Lynn, Deborah & Jolene; We were so saddened & shocked to hear the news. My Heart breaks for each & everyone of you. Lori spoke so highly of ALL of you and realized just how very blessed she was to have you as her family. After my father passed, she would always say to me, If It wasn't for ALL of you, your love and support, she would have never been able to get through the loss of the love of her life. I know she still struggled and missed him terribly, 6 years later. My father loved Lori, dearly, as she did him. They are NOW together again. I pray that the LOVE of GOD enfolds you during your journey through the stages of grief in your loss of Lori. Wishing you PEACE to bring you COMFORT and the COURAGE and STRENGTH for you to be able to face the days ahead & remember all the wonderful and loving memories of Lori, to forever hold close to your hearts. Lori, was a loving, kind and beautiful person. I was blessed to have had the relationship that I had with her, I will miss her dearly. My Most Sincere & Heartfelt Condolences. Love, Lori Schorle
