I remember you as a young boy coming into the hair salon to get your haircut - you were also such a nice young man - my sympathies to your family.

You were a great Dad. Ashton loved you very much. You will definitely be missed. Now you're an angel up in heaven and you can watch over our son. I remember getting you a t shirt that had a picture of a light bulb with a pull string and it said "You'll never figure me out." It was so true and that's something that made you Nate. I'll never forget all of the fun times we had. Fly high Nate. Dance with the angels!!! 🙌❤️

I remember us as kids..growing up together, playing videos games, watching cartoons. I remember those days like they were yesterday. Sure we all grow up and maybe don't talk as much, but you never lose that family bond and love, and those great memories are ones I will cherish forever. I am so glad that we got to spend Thanksgiving together, we all had a good time.Love you very much Nathan, and we will see you again one day.Your cousin,LaToya
