My sincere condolences to the family and friends of Ed. I am thankful I was able to see my old neighbor Ed on our last trip to Wisconsin this fall. I got a chance to visit with Ed several times and even help remove a stump for him. I have many fond memories of seeing Ed in the backyard playing ball of some sort. He always had a presence that was most welcome. He will be missed. Mark Hadden, Salem, Oregon

My condolences to the family and my neighbor. I always tried to stop in and say Hi to Ed and Mae each time I was back in Plainfield. I recall about when I was age 14 or so Paul his son and I and Ed playing football. Paul through me a pass and I dove for the ball and caught it, unfortunately for me Ed also dove for it and landed on me with his full weight of 200 lbs. It took about 5 minutes to get the wind back in my lungs. from then on I was a little quicker on my pass routes. Tom Hadden
