Sorry to hear about Sally. I did not know she passed away since I don't seem to have any contact in Waupaca since Jessie and Dick died. Sorry for your loss. I always will remember her as an upbeat person especially when your dad was sick and after. She will be missed

Dear Kathy, Kim and Cindy, My father, Sally's old friend Ted, just let me know of her passing. He spoke with admiration about your devotion and how well cared for she has been all these years. She was an indelible part of the Camp Cleghorn community and I think back very often to our wonderful childhood summers, created by the love and hard work of Sally and her "greatest generation" of parents. Please accept my condolences. Kathy Newkumet and family, Berkeley, CA
