Dear Peg, Paul and Pete-Your mom will be missed by so many. I have so many memories of her dating back to when she used to visit us at Norm's when we were working, to just a couple of months ago when she was graciously arranging a gathering at St. James in honor of my mom. The way that she held her hands to herself, and that precious little giggle. It just seems surreal that she has left us, but I am thankful for the memories that she gave us. Please find peace in knowing that your mom was loved and appreciated by many people and that she truly will be missed.
