Kathy and Roger, Carter and Mark, I am so deeply sorry for your loss. When I think about memories of her as an adult all I can think about is how much she loved Carter. She talked about him all t time and posted on Facebookoften of her pride in him. I think of her as a child mostly and can see her sitting atop grants donkey in th back yard. Her love of animals also comes to mind as a child nd all through her life. Again I am sorry for your loss and very sorry we can not be there with you but please know tht we are with you in spirit. My love to you all. We will kepraying for your peace and comfort. Elaine Parsons and family.

I am so sorry for your loss. Shelled was a great person and friend. We were classmates and hung out together. After high-school we lost touch but just a few years ago I saw her as she came in to my work and we reconnected on facebook. She really loved her son. I enjoyed talking to her privately on facebook. This is such a shock to me. I'm very saddened by the news. My thoughts and prayers r with her and her family.Carrie Bruette
