Thoughts and Prayers with your family...my memory if Colyn was from August, my family and I moved to Bancroft and we all met Colyn. He took the time to speak to our 14 year old who was having a hard time transitioning to an extremely small area away from all that she knew. He took time to ask her how she was doing every single time we went into the local gas station here. He truly cared about everyone he came into contact with. He will be missed greatly.

Remembering Colyn when he was around 10. Grama Mary brought him to spend time with my grandkids Hana & Hayden when they came to visit me. All the same age. We went a lot of places as well as a visit to the Lauer farm. Hana & Hayden had never been to a real farm since they lived in Las Vegas. They still remember the fun we all had together. Great memories. Like yesterday 🥰. Judy Hentges

We became friends with Colyn when he came to BQM....Grew very fond of him. He made it easy. We got talking one day about Guitars. I told him I wanted to find an Acoustic Flat Top that I could just pick up and play whenever I wanted to. He said he had one, but, never learned to play it. He sold it to me. A beautiful Blue/Tan Guitar. I am so fortunate to have that. Everytime I pick it up to play I will think of Colyn. He was such a great young Man. We will miss him terribly..Our deepest Sympathy to you all...RIP DEAR FRIEND.

My favorite memory of Colyn was everytime I would go into the 66 gas station and Colyn was working he would come up to me and say hi mom how's Michael is he going okay. I miss him when's he going to come home? And I would buy him a chocolate chip cookie. He was such a kind soul and always thought of other before himself. I will miss him greatly!
