Our sympathy to Char's family. The Sopas were our neighbors our first years in Waupaca. Char was our first babysitter. We are on a cruise and will be unable to be at the service or visitation, but we wanted you all to know that you are in our thoughts.

Char was an absolutely wonderful nurse with a contagious smile...and skills! The lady had skills! We loved having her on shift as you knew the patients and their families would be welcomed with a smile and their care would be excellent. My favorite memory of Char is in fact her smile... always present with that wonderful laugh. She will be missed.

I worked for many years on the other end of the hospital from Char. I didn't get to say good-bye to her. I saw her recently but gave her privacy and didn't speak with her, because she wasn't my "patient" at the time, and now it's too late. Just know Char, that I liked seeing you and talking with you, you were one of the "greats" at RMC, and I'll miss you.
