To my big sister...I just want to say that I love you, and I miss you with each beat of my heart. I hate having to live my life without you. I look for signs of you all the time, and you let me know that you are here with me. I am going to do my best each day to live up to my full potential- like you had always hoped I would. Please continue to watch over me, mom, and dad. We will see you again one day. Rest in peace, Joy.

Janie, Cas, and Danielle - my other family - I am so sorry for your incredible loss. No words can express what I know you are feeling. Love always, Gwen

Please accept my sincere condolences for the loss of your loved one, Joy. It breaks our hearts when death separates us from the ones we love so much. The Bible reminds us that God sees our pain and sadness and has promised that soon, "death will be swallowed up forever." (Isaiah 25:8) He will heal our broken hearts by resurrecting our precious loved ones to life again. (John 6:40) Until then, I hope the beautiful memories of Joy and these promises from God comfort you in the days to come.
