My Aunt Sue was my idol. I looked up to her so much when I was a kid. I wanted to dress like her, wear makeup like her, listen to the same music as her, be just like her. She was the coolest Aunt anyone could ever wish for. One of my fondest memories was when I lived with Aunt Sue and Uncle Bill when Sue was pregnant. We had the best times and shared so many laughs!...And then I got to be one of the first people to meet Brenna! ❤️

Sue, I keep expecting you to stop by & say "Let's go to Yuma". You put up one hell of a fight my friend & I will miss you a lot. One of my favorite memories was when we got Bill to go rock hounding at Burro Creek with us. They had just graded the road & we found such beautiful rocks right there on the road that, by the time we left, they needed to do it again. We had the back of the car so full of rocks that we couldn't have fit a toothpick in there. It was a wonderful day. I loved you then & I love you still my dear friend. Bill & Brenna, you know you have our heartfelt condolences & prayers. Love you very much, Terry & JoAnne

Uncle Bill and Brenna we are so sorry to hear that Aunt Sue passed away. I will always remember her raccoons and when she brought over to our house the original Pong Game. We had such fun playing such a simple game (High Tech for the 70s). Remember playing 45 rpm records with her and Aunt Margaret Kramer upstairs at Grandma and Grandpa's house. I have such fond memories and I will always cherish our time together. With Love Wendy Chris

It is fortunate for me to call Sue (and Bill and Brenna) my dear friends. We met over the phone when they hired me sight unseen to work at Arbor Vitae Campground from 2003 through 2007. We became friends and Sue has shown me her love, caring, and generosity ever since. Seeing how Sue handled her many health issues throughout life, including this last disastrous situation, has been inspiring. My condolences to Bill, Brenna, family and friends. Sue will be missed by us all.
