Sharon, (Mom), always made feel like I was as special to her as one of her own children. When ever I visited the Peterson home in Beloit, we would drink the best coffee in all of Beloit. Mom would spend time just talking about stuff; never judging, and always loving in her contributions and advice. I'll always remember that she was a role model for me to look up to when we worked for Woolworth's at "the Mall".John and Sharon Peterson are "salt of the earth" family who helped me through my teenage years with loving support which contributed to the person I am today.Thank you for the loving memories.Wendy
