Lois had a wonderful joy for life and I always enjoyed being in her presence. I remember being invited to a party at the Stange home around Christmas time and singing carols around the piano, such a warm and lovely evening! At my installation as Honored Queen for Job's Daughters she graced us by singing In the Garden. What a beautiful voice she had.

Lois and Bob were my first landlords (apartment above what was then the TV store on Main St.) when I can to Waupaca as a young teacher. They were the first at my door encouraging me to join Trinity Church and the choir. I will never forget Lois' kindness, vitality, her beautiful voice, and her smile & laugh. What a lady!!! Prayers for comfort to your family.
