Jake Patrick Calnin

SEP 28, 1998 - MAR 8, 2018

Jake Patrick Calnin, age 19, of Wild Rose, went home with the Angels on Thursday March 8, 2018. He was born on September 28th, 1998. He came into the world as an early bird at 26 weeks. He was a graduate of Wild Rose High School, Class of 2017, where he ran cross country. He attended Fox-Valley Technical College for web development and design. Jake enjoyed spending time with his brother and friends. He had a passion for video games and aspired to become a game developer. Regularly, Jake designed levels for various games and proudly showed his friends and family. Jake loved movies, specifically sci-fi and horror films. The Alien franchise was by far his favorite. His unique sense of humor never failed to get a laugh. Jake had a big heart and was always loving and caring to others.

Jake is survived by his parents Patrick and Kelly of Wild Rose; his brother Brody (girlfriend Anna Cole); maternal grandmother, Renate Maynard; Aunt Kim (Jim) Reagan; paternal grandmother Patricia Calnin Baum; Uncle Steven (Ann) Calnin; Uncle Mark (Karrie) Calnin; Aunt Amy (Joe) Nimmer; Aunt Anna (Rodger) Baum. He is also survived by his cousins and many close friends, especially Kole, Ryan, Braydon, Autumn and Trent.

Jake was preceded in death by Grandpa Bob Maynard, Grandpa Frank Calnin, Grandpa Vince Baum, and Uncle Christopher Calnin.

Jake, we will always love and miss you. You were one of a kind and we are grateful to have had you in our lives for 19 years. Your sweet smile and blue eyes will never be forgotten.

Love, Mom, Dad & Brody

I had the honor to know Jake at Fox Valley Technical College as his Written Communications instructor. I did not know him long, but from day one I was impressed with his kindness, humility and respect. He worked hard in class and was eager to do well. His interest and passion in video game development was apparent, and I loved to talk to him about what he was learning from his research. I am very grateful for the time I had to get to know him! My thoughts and prayers are with you and yours.

Patrick, Kelly & Brody, My heart breaks for you at this most devastating time. Grandma Helen has him with her now and she will take good care of Jake, this I know for sure. He has other grandparents and uncles to watch over him also. It was a blessing for you to have him for those 19 years and even though it is one of the hardest times of your life - know that he will always be a part of you. His spirit will be in every memory that you have of him and he will send you signs of his love. This I know because cardinals suddenly have started to appear at my house after Uncle Jim passed away. Never had cardinals at my house in the 20 years we had lived in this house before his passing. My prayers and thoughts are with you at this time. Much love, Aunt Marge

Jake was everyone's friend. He was a guy you couldn't hate. We treated everyone with respect. I remember in the 6th grade, everyone had to give a speech on how to do something. He gave a speech on how to make your own maze. He panicked and Mr. Komp let him leave and do it later. No one laughed. Even when he was panicking and almost crying, he tried to keep a smile on his face. In junior year, the gym class was playing ultimate frisbee, and I was on his team. He threw the disk at me to catch, but missed and hit me in the mouth. It was the only time he hurt me, and it was by accident. At Fox Valley, we shared a class on Fridays and I sat next to him. He drove me home from tech to Wildrose one day, and with my basket of laundry didn't fit in the front, it had to be put in the back of his truck without anything to hold on to it. I was extremely thankful that he did that for me. I wasn't close or best friends with Jake, but he was a friend I could count on if I needed it. I will miss him dearly.
