Kitty and Kristy, My heart breaks for you! I can remember Chuck in my life since I was a child! He was always joking and so funny! Lee really loves that man, and I know you love him so much more! He's now w/Tammy, holding her as she is showing him the way. I care. I love you both! May you find some peace during this dreadful time! Thinking of you, and sending you kind thoughts and warm love always, Joy Webb

Oh goodness, so sad to be reading this. So very sorry Kitty. I had no idea you lost Tammy as well . My heart is breaking for you . I have similar memories just as Joy Webb and as a daughter of a different livestock dealer. We enjoyed that time in our lives with you, Puf, and Tammy very much. Dolores, Bill, Gary, Puf and the gang are surely coffee clutching this morning together in heaven and Dad and Puf and the boys are looking forward to that big game tonight.You are in my thoughts and prayers.
