## **John A. Buice Jr.**

MAY 16, 1951 - OCT 3, 2018

**J**ohn A Buice Jr., age 67, passed from this world into the next on October 3, 2018, with his family at his side. He was born May 16, 1951, in Orlando, Florida to Mary Ann McElroy Buice and John A. Buice Sr.

John grew up in Daytona Beach, Florida where he acquired a profound love for the ocean that remained with him throughout his lifetime. Second to his love of the ocean was his appreciation for music. John was an exceptional self-taught guitar player and inspired emotion in all that witnessed his talent.

In 1975, John married Beryl Ann Bossard in Daytona Beach. Together they relocated to central Wisconsin where they settled in New Hope. John adored the rural lifestyle and all it offered. His children carry fond memories of making maple syrup, gardening, canoeing, and skiing with their father.

John is survived by four children, John (Maureen) Buice and daughters Allie and Taylor; Sarah Buice; Jeff (Jenny) Buice and daughter Jade; Keith (Abigail) Buice and children Gus and Bea. He is also survived by his former-wife Beryl Buice and his sister Mary Fletcher Buice.

The family will hold a Celebration of Life on Saturday, October 6 at 11 am. Please join us for John's favorite desserts and coffee at Sunset Lodge, Central Wisconsin Environmental Station, 10186 Cty. MM, Amherst Junction.

Dear JOHN Never thought there would be a Dear JOHN letter in my life!!!! Back in the mid Seventies, Julie and I were riding our horses down Trout Creek Rd. when we came across a couple that had just moved to Wisconsin from Florida!!! Oh yes---John and Beryl!!! New to the neighborhood we stopped and chatted with our new neighbors. There seemed to be a friendship that began at that moment. Good looking pair of Floridians - great sense of humor and a hunger for a new life farther from the equator!! An adventurous couple sliding into a new environment. John's trail thru life was full of everything - love, excitement, family, friends, laughter, compassion, although he had a positive attitude toward life, he didn't have much time for the negative that sometimes he encountered. He looked for the easier trail to follow and at times, he was on that road going the wrong way. I will miss the "big teddy bear" that he was. Happy Trails my friend!! You are now on the easier trail going the right way!!! Glenn
