So sorry to hear this. Heartfelt sympathy for the members of the church, as well as John's family. I met John at his brother's home. He was very kind to me, as if we were old friends. A special soul, he was, and will be missed. Prayers of comfort for the family and congregation as well as his friends.

To Dan and Penny, and the rest of the family --My deepest sympathies on the loss of your father and grandfather...My parents were Ray & Marian Martin (Waupaca) and John was their plumber, and later became mine when I bought their house, and eventually Dan. The Kettlewells always provided quality work for us, but also were very kind and caring people who always went out of their way to help others. May all the years you've had with John provide you with "forever memories" -- and God's love and peace comfort you in the weeks to come. Sincerely, Susan Rae Martin (Scottsbluff, NE)

When I first came to the Waupaca congregation I was expecting my first child, John and Mary Ann were one of the first to welcome me. They were such a loving couple who raised warm and loving children. John was always friendly and easy to talk too, he enjoyed visiting any where he saw you. I will always be grateful to John for including my husband and sharing time with him. My love to his family, you are all in my thoughts and Prayers.

We lived on a farm near John. He would take me ice fishing on Lake Poygan when I was about 12 years old. It was so much fun being around him. Later when John was a plumber we worked on jobs together as I did electrical work. John was one of the nicest guys I ever knew.

I enjoyed my trip to a Kingdom Hall build with John. We had a nice drive, talk and some laughs. Such a pleasant person. He also came to our home to help me get our furnace running, but it did not stop there. He actually sat down on the basement floor, with me and showed me how to fix it myself. He will be sorely missed. Looking forward to his resurrection, into that paradise, right here on earth in the near future. Richard Thompson
