Aunt Margie defines the phrase, "one in a million." She was unique in so many ways, from her exceptional wit, good humor, and positive outlook to her inclusive, and loving nature. I met her when I was a new bride and barely 20 years old. I cooked dinner for her fearing she might not want to eat it. She loved it and raved about my gravy for many years to come. I found this to be quite funny since I had no idea what I was doing in the kitchen ... but she made me feel like the consummate chef! Aunt Margie had a knack for story telling and right up to her final days, could entertain even a distracted teenager. I am so blessed to have known her and experienced her love and kindness. I will always think of her with a big smile and gentle tug on my heart. Love to Barbara, Mary, Rick and all the grandkids. You are in my prayers. Denise Evans

So many beautiful memories we shared thru the yrs. when she lived in Waupaca before moving with her girls to AZ. I will always remember how she loved the backrubs & pedicures & foot massages. Just sorry I didn't make it out for her last one. She will always hold a Special place in my heart. Love to Mary& Barbra, you are wonderful daughters to have given her the loving care thru the last few years. With my Love, Julie Hansen
