You have my deepest condolences for your loss of Daniel. Death is truly an enemy of all of us . When we lose someone so unexpectedly it can be a shock for us. Bible book of Revelation in chapter 21 verses 3 and 4 holds out the beautiful hope for our future in seeing our loved ones again.

The first time I met Dan aka Hippie he was married to Dawn, Mike was a lil guy and i remember the guys were outside and they came running up to the house and said you gotta see this. Flying over the corn was a UFO. The guys wanted to get their guns, me and Dawn yelled hell NOOO and ran for the house. We vowed never to speak of it again as we were afraid people would say we're crazy!! Good times!!!

My brother in-law was a kind and good man. Always greeted me with open arms when I came to visit from Texas. He is loved by myself and my nieces who consider him their Father. I will miss our talks on the phone and I will miss you more!!!
