I had the joy and privilege of knowing Eunice for the past 16 years as she served and then lived at the Wisconsin Veterans Home. What a wonderful pleasant, caring woman of faith! She has been a great blessing to me, to our Spiritual Care staff and to the other members and staff at WVH-King. My thoughts and prayers are with all of you. May Jesus, our Resurrection and our Life, give you His comfort, peace and the joy of a heavenly reunion. .Chaplain Wayne and Eileen Schwanke

I got to know Eunice 10 years ago when she played the piano at the Protestant church service in MacArthur Hall at the Veterans Home where my late husband (Colin) resided. She always seemed to find time to smile, exchange a few words either before or after the service - even though she had just come from an earlier service and still had one more service to play at. We appreciated her dedication to serve through music at the services.I was blessed that a friendship developed over the years, admiring her deep spiritual roots, enjoying her company, and helping her indulge with the "turtle blizzards" from Dairy Queen.She was a faithful Christian witness and will be missed. I know it is well with her soul. Mary Young

Mardana, your mom will always hold a special place in my heart. We would sit and talk and talk when she brought her car into Neuville Motors. Sorry for your loss.
