To Alamar, my friend and sister in Christ, I am so very sorry for your loss. You, your children and grandchildren, are very precious to me. Please know that I am only a phone call away. Sending much love and many hugs to you all.

I met Arthur at work and him and I always picked on each other. Years later I was working at the library and he came to the desk (we all know he may have been a little vertically challenged) I said to him "Are you here for story time?" He said "Why do you always have to pick on me Heather?" I can hear him saying it now. We had great conversations about the Lord as well. He loved Jesus and I know he is in a better place, I will miss you my friend.
