I have many fond memories of Terri with her sweet and fun loving personality. I had worked with her at Menasha Corp and a lot of fun times at Packer games, happy hours and other occasions that brought us all together (Fin and Feather boat trips). The world sure is a less brighter place now and heaven is much more brighter with her there. My condolences to Andy, Jessie, family and fur baby. And the many friends that she made smile with that sweet smile and laugh of hers. We will be able to see her in heaven and to enjoy her brightness some day again. God Bless to her loved ones- Marie Weber
