My sympathies to Mrs. Smith's family - as one of Joan's friends throughout high school and beyond, I got to know her when visiting Joan, such a sweet, wonderful lady - Joni (Strebe) Radley

Very fond childhood memories of going over to Bud and Gary's farm. many times our family would go over to visit at the spur of the moment and they were always welcoming. I always had fun getting together, mainly with Diane and Phyllis, they were my age. May peace and good health be with you.

Gary lived at Park Vista. She always had a smile on her face and was so appreciative of even the smallest gesture that I would do for her. She enjoyed our activities and became good friends with many of the residents. Her pride and joy was her wonderful family. We will all miss her so much! She will never be forgotten!

My sister, Evelyn Larkee Ashley, and Gary were best friends in high school and for many years after. I remember attending Gary and Budd's wedding when I was ten years old. I asked my mother what color hair do you think their kids will have as Budd was so blonde and Gary's hair was dark. Loved visiting Gary with Evelyn. May God bless her family at this time.
