I met Marge when I was 16, dating Scott. She was always so kind and welcoming. I loved being a part of their family for that short time. She was an excellent cook, a hard worker, interesting and intelligent. The world was a better place because she lived. My prayers for comfort are with her survivors, and because she lived so long, I'm certain you have many treasured memories. May God Bless you and Marge's reward be great. Pam Schmidt

You have earned your heavenly reward, Margie. You and Buzz were such dear friends of my parents, Lucy and Levi Olsen. I have many memories as a child of visiting your lovely home and sharing the joy of the gorgeous flower gardens as well as indoor plants. Margie always had a "project" she was working on. I remember Buzz creating the retaining wall in front of First Lutheran. He needed no mortar between the stones because he was a talented stone mason. May you rest in peace. Your memory is a blessing to all who knew you. Judy Olsen
