Nancy A. Eich Peissig

JAN 22, 1943 - JUL 12, 2021

Nancy A. Eich Peissig, age 78, of Stevens Point, WI formerly of Waupaca, WI passed away peacefully with her family by her side on Monday, July 12, 2021 at Ascension Saint Michael's Hospital in Stevens Point. She was born in Rosiere, WI on January 22, 1943, a daughter of the late Harvey and Grace (LeGrave) LeMense.

"She was our touchstone and our grounding force guiding us."

Nancy earned her Bachelor's Degree in education from the University of Wisconsin-Oshkosh, where she met her first husband Joseph Eich. They were married on December 26, 1964. He preceded her in death on January 5, 1989. She then married Dennis Peissig on August 22, 1999.

Nancy's love language was doing acts of kindness and service to others. She never said no when asked to do a sewing project or knit a pair of slippers. She was also an accomplished quilter. Nancy always generously shared her gifts and talents with others, from sewing hundreds of face masks for Head Start students to hemming a neighbor's pants. She loved those around her unconditionally and with fierce loyalty through her listening ears and her supportive words. She saw the world through unselfish eyes and had an overwhelming passion for the human race. Nancy just knew how good we can all be.

As grandma, Nancy played her greatest role as the biggest supporter of her four grandchildren. They were her pride and joy, she loved watching their school activities and spending time hearing about their lives.

Dennis - I was so shocked when I saw Nancy's obituary and send my sympathy to you and the rest of her family. We enjoyed you two on the Danube River trip; I will always remember your sharing the story of your late arrival for that international trip. Dean passed away very unexpectedly on June 27th, 2 days before our 52nd anniversary. Carla Struble

Aunt Nancy was so good natured, funny, and kind. Once, I picked her up from the airport and was telling her about Max while we drove home. He was a baby then. I told her that even though he was only a few months old, I could tell he was a sweet and kind person. She told me that the apple doesn't fall far from the tree. It meant a lot to me. I'm glad for my cousins that it's true in their cases. She showed up for people, and that meant so much to my family.
