APR 21, 1964 - OCT 1, 2021

**T**om Dupuis, age 57, died peacefully on October 1, 2021, at Community Living in Manawa and under the care of Hospice. Tom was born in Wausau to Larry and Beverly Dupuis on April 21, 1964. Tom graduated from Mosinee High School and in 1986 graduated from UW-Stevens Point. Tom was employed as a graphic designer at Krause Publications in Iola, WI retiring in 2018. Tom established long lasting friendships at UW-Stevens Point and at Krause Publications. Tom loved to party and enjoy good music, good food and witticisms with friends and family. He had a collection of Beatles memorabilia which spoke to his love of music. With his good friend Jim Felhofer, Tom entertained in local establishments as a member of the Fret Boys. Tom and Jim also established The Narrators and recorded CD's. In 2000 Tom purchased his rural "Eden" in Pine, River Wi. He loved creating a comfortable home, productive gardens, and a backyard that welcomed birds, squirrels and an occasional bear.

Tom is survived by his brother Mike (Svetlana Bekman) Dupuis of Evanston Illinois and his nephews David and Daniel Dupuis. He is further survived by his uncle Don (Sue) Netzel of Plover, his aunt Marge (Dave) Unertl of Mosinee and his special family of the heart, Joey and Zack Meyers of New London, Wisconsin along with their children Damien and Jase. Tom was preceded in death by his father and mother as well as an uncle.

There will be a private gathering for a celebration of Tom's life at a date yet to be determined.

The family wishes to thank Community Living in Manawa and Theda Care Hospice for providing excellent care.

I learned of Tom's passing this morning. Memories from our time working together at Krause Publications brought a smile through the sadness. Tom was always upbeat, funny and a great person to be around. We would laugh often while we were doing photoshoots for magazine covers. Tom would often quote lines from a Charlie Brown Christmas in a hilarious style all his own. In July during the lola car show set up days, a large group of us would head over to the beer tent after work to make sure that year's car show point beer past muster. There is a quote that comes to mind when I think about Tom, "It's hard to forget someone who gave you so much to remember". Thank you Tom for being a bright spot in so many people's lives. Love you brother. Ross Hubbard

Tom always made us laugh, purposely and with vigor. He was very clever at seeing the humor in everyday occurrences. He was a deep thinker, as his music that he made with Jim Felhofer (as The Narrators) proved. He was a true artist, both musically and as a graphic designer. He leaves a big hole in the tapestry of the lives of all who knew him. Our sincere condolences to his family and to all the friends whose lives he made better for having known him. He will be missed. --- Steve & Linda Raap

Miss you Tommy. We had some good times and it was a pleasure to know you. Won't be the same without our postgame discussions of the Packers and the Badgers.
