Omg! I just learned of my dear dear friend Kathy's pasting! I am heart broken. We talked often and shared many many laughs of our escapades back in the day! Kathy, I wanted to show you something today but thought- hmm had we really not talked in more than a month? You my dear, were gifted and spiritual in so many ways! I'll always hear your laugh-- now with those angels you know, the naughty ones. I treasure your art work that I possess!! You were one in a million. If your family sees this can you please get in touch with me through Facebook!!? My deep deep sympathy to Mark and to her boys who she loved more than life itself. ❤️

I was honored to have Kathleen in my life, she was a great friend! I loved her knowledge, her power and her beautiful gentle soul. She loved her children fiercely and was so proud of her sons and their families. She spent a lifetime giving her gifts away and we were blessed to receive them. God speed my Sicilian sister ❤️

I only met Kathy once in person but we became good friends on Facebook. I was thrilled when she said she was moving back to Milwaukee (where I live) because we we going to meet and have lunch at Gloriosos. I am very sad that she was taken way too young. She was a truly beautiful human being. Rest In Peace.
