I miss your quick wit sarcastic sense of humor Uncle Bob! You always seemed to have a funny comment one liner for every topic or everyone you talked about! LOL! loved the way you could always get me to laugh!! I'm so grateful for the time I spent staying with you after you took a fall!! Loved the times we had, sitting there watching the squirrels and deer prancing through your yard. And while you were smoking, we watched several humming birds buzzing around their bird feeders. The walk with Charity back to the pond behind your house was so much fun, full of stories that you shared. My favorite time was when we read the Bible together and we read John 3:16. And I asked you, if you wanted to say the salvation prayer and you said yes, and we did it together!! I will cherish the time we did have together...you were a dad, to me, you believed in my vision and dreams and how you wanted to help me accomplish that dream! I will always be grateful to you, Uncle Bob! Thank you, for being that "FAMILY" to me when I felt like I was all alone going through struggles after struggles! It's very difficult to know you are gone and that I won't get to see you or hear your quick wit humor again 😭 I love you Uncle Bob, you are the best uncle anyone could ever ask for!! I have told my friends that everyone should have an "Uncle Bob" in their family...because they will always be entertained! 😊

Even though tears are running down my cheeks, I know you are not in pain, anymore, sort of speak. Praying I'll see you again, When God opens the pearly gate 🙏😊

Some of my best memories of Bob are as kids growing up in Bear Creek and going to St. Mary's School together. Later on in life, every year on my birthday, Bob would call me and sing happy birthday to me. I suspect he did this with a lot of our classmates. Bob was one of the toughest guys I ever knew, but he had a heart of gold and loved his Suzie more than life itself. God Speed old friend, I hope the fish are biting up there. Terry Lorge
