Fate intervened for us to meet Sharon (& Tom) in the winter of 2016. We were new at Park Vista in Waupaca. By chance we sat at a dinner table with her and Tom for lunch one noon. This was the beginning of a true friendship! We felt very comfortable with the two of them and soon were enjoying at least one laugh a day during our time together. Obviously our paths had meant to cross on this day. As the stories were told Tom and Glenn soon found out that they knew a lot of same people. It appeared that they both knew the entire county! We enjoyed the time we spent together Through the next 4 years!! we felt as though we had known them a lifetime. It had become a forever friendship. The Last few years health issues for all of us became more troublesome and changes had to be made. But Sharon and i always knew we were there for each other! Someday we will be together again but for now I say farewell my friend. God's Peace be with you! And Tom....we Love You Always. Glenn and Linda Dobbe
