We got together with Dorothy and Mike just a few times, and had such enjoyable moments with Dorothy. So easy to talk to and we laughed, and laughed. We will truly miss her!

Dorothy was the best friend anyone could ever have. No matter what life sent her way she always had a smile on her face and a positive attitude, right up until the end. A beautiful light taken way too soon. I will miss our phone calls and the catching up, as well as meeting for margaritas and sharing laughs. I am glad you are in a place with no more pain, and I will keep our memories very close to my heart and never forget you. All my love to her family, may God wrap you all in His love as you go through this difficult time.

Dorothy was a beautiful woman both on the outside and the inside. We grew to love our social time with Dorothy. She was always smiling. Always willing to help and take on any task. She could make you smile even when you didn't feel like smiling. Loved our time playing cards and when we would get together for Brewer or Packer games. So glad for our visit last Friday. Dorothy will be missed but not forgotten. Glad that her pain is over and now she gets to laugh with Jesus. Steve & Pat Sorenson

My Sister-in-law Dorothy was devoted and caring for everyone she knew. Her smile and enthusiasm was everything one could ask for. She is deeply loved by family and friends, and will be sadly missed. Mike did all he could for her comfort. Dorothy will be pain free and united with family and friends in Heaven.

Dorothy and her sister Margaret were customers of mine who became friends. We would go explore restaurants, apple orchards and craft fairs together. Even when she moved we stayed in touch. I was lucky to visit recently and she was positive yet realistic. A word to describe her is kind. I will truly miss her but thankful she is no longer in pain.
